Visitors to the Library approaching it by the main entrance will have noticed with pleasure the redecoration of the area above the door, with appropriate color and gold leaf in the heraldic coats of arms of the Wentworth family, the Town of Sandwich (England), and the State of New Hampshire. The work was done by Mr. C. E. Rockstrom, of Tamworth, under the supervision of Mr. Wayne B. Thompson. The bushes on the grounds have been pruned. Those entering the Building by the rear door will have observed the new cage in the ground-floor stacks, where the old Town Records are now stored for additional security.

On the main floor, visitors have seen the Librarian, with some of the Friends of the Library (Mrs. Grant Powers, Mrs. Peter Reilly, and others) busily completing the re-cataloguing of the books. The Friends are also maintaining the School Library, and helping to provide book-jackets for its collections. They are an active group, with fruitful ideas. The North Sandwich Ladies Aid Society, too, has been generous in giving an Encyclopedia to the Library for the use of the school children.

Near the main entrance, on a table, stands the fine collection of musical records generously given by Mr. Henry C. Kenly, now catalogued and arranged in slip covers by Mrs. Henry G. Balch and assistants. The records are being used by many borrowers.

At the request of the State Library, the Trustees have prepared a Statement of Policy setting forth the principles

by which they are guided in administering the Wentworth Library, with regard for the varied needs and desires of the residents of the Town.

# Forest Fire Warden's Report

## AND DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A. M. and 5:00 P. M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.
